Head Teacher Message

Last week, we had a unique event of the Coronation celebration. Our pupils sang and preformed, showcasing their talents and dedication. They practiced for weeks and their regular improvement could be heard in assemblies in the build up to the weekend. Thanks to our pupils and supportive parents, our community came together to celebrate this important occasion.

I want to thank the local community for their hard work in organising the street party. The decoarations, music and food were all fantastic and created a wonderful atmosphere. I am proud of our pupils for representing the school positively and grateful for the community's support. It's heartwarming to see us come together to celebrate and support eachother in times of joy.
