

Outdoor play equipment rules

Sandpit Rules

1. **No throwing sand.** Keep the sand in the sandpit to ensure everyone's safety.
2. **No eating or putting sand in your mouth.** Sand is for play, not for eating.
3. **Keep the sandpit area tidy.** Put toys back after use and keep the area clear.
4. **Wash hands after playing.** Ensure hands are clean before eating or moving to another activity.

Mud Kitchen Rules

1. **No eating or drinking the mud.** The mud is for imaginative play only.
2. **Use the tools safely.** Share and handle utensils carefully to avoid accidents.
3. **Stay within the kitchen area.** Keep all mud play within the designated space.
4. **Clean up after play.** Wash hands thoroughly after using the mud kitchen.

Den Building Rules

1. **Work together and share materials.** Build your dens as a team, helping one another.
2. **No climbing on top of dens.** Stay on the ground to avoid falls and injuries.
3. **Use materials safely.** Only use the materials provided and handle them carefully.
4. **Dismantle carefully after use.** When it's time to tidy up, take down dens slowly and safely.

Trim Trail Rules

1. **One person at a time on each section.** Wait for your turn to avoid collisions.
2. **Hold on with both hands.** Always use both hands to maintain balance and avoid falls.
3. **Use the trail as intended.** No climbing on top or underneath equipment in ways not meant for play.
4. **Wear appropriate footwear.** Ensure shoes are secure and suitable for climbing.
